**Analysis**

**Current Law:** The board generally may not issue a new alcoholic beverages license in the 40th, 41st, 43rd, 44th, or 45th alcoholic beverages districts unless the authorization to issue specified licenses in these districts is otherwise provided for in statute.

### *Class B-D-7 Licenses*

Generally, the board may issue a Class B-D-7 license if it determines, upon consideration of the number of beer, wine, and liquor outlets in the affected area and the outlets' days of sale, that the license is reasonably necessary for public convenience. A Class B-D-7 license authorizes the licensee to sell beer, wine, and liquor at retail at the place described in the license, for on- and off-premises consumption. The annual license fee is \$2,336.

### *License Expiration*

Generally, in Baltimore City, a license expires 180 days after the license holder has closed the business or stopped active alcoholic beverages business operations at the premises for which the license is held unless (1) a transfer of the license has been approved or is pending; (2) a specified certificate of permission or renewal license has been approved or is pending; or (3) a written request for a hardship extension is filed within the 180-day period.
